SPECIAL MEETING LAST NIGHT

Act Passed Appropriating 850,000 to Defray General Expenses of Suppress ing the Rebellion-Judge Whiting Named to Sit on Court Martial Board.

Chairman W. F. Allen presided over yesterday's adjourned meeting of the Councils. There were present President Dole, Ministers Damon, Smith, and King; Councillors Ena, Tenney, Emmeluth, Nott, Bolte, Morgan, D. ATTORNEY - AT - LAW B. Smith.

Secretary Rodgers called the roll and announced a quorum present. Minutes of the October 15th meeting, together with those of last Monday's

session, were read and approved. tusiness to be that of filling vancancies in the membership of the Councils, and that four new members were to be elected. Chairman Allen. Mr. Bolte withdrew the name of

Dr. John S. McGrew. Councilman D. B. Smith asked if further nominations were in order, and upon receiving an affirmative reply from the chairman, said he desired to name a man who had taken an active part in the rebellion and who was always at the front and deserved some recognition. He referred to T. B. Murray and thought he was

entitled to a seat in the Councils. Mr. Morgan wanted to know if there were sufficient members present to fill the vacancies. He was informed by the chairman that ten members could

can League. Mr. Morgan asked information con-cerning these endorsements, and thought the Councils should be filled, as they had important business to

President Dole announced that there were four vacancies to be filled. The Attorney-General read a section from the rules in regard to the requirements of a two-thirds vote to elect new members. He thought there should be no question regarding the matter, and moved Rule 27 be suspended and an amendment substitupended and an amendment substitu-ted empowering the members present

to fill the vacancies. The chairman requested Mr. Tenney to act as teller. Mr. D. B. Smith desired to withdraw the name of T. B. Murray, as the American League had already en-

dorsed several gentlemen as candi-Balloting was then proceeded with, and resulted in the election of Messrs. F. A. Hosmer, Dr. C. B. Wood, Geo. P. Castle and Jas. A. Kennedy.

There were seven candidates named

for the four vacancies, and the following table shows the result: F. A. Hosmer. 12 G. P. Castle......10 C. B. Wood...... 9 J. A. Kennedy.....

EVENING SESSION.

A special meeting of the Councils was held at 7:30 o'clock last night, most of the members being present.

Prof. F. A. Hosmer, one of the new members elected at the yesterday afternoon meeting, and who failed to arrive before adjournment, took the oath before Judge H. E. Cooper, and was declared a member of the body.

President Dole stated that the special session had been called owing to an oversight of a minor nature in procedure, which, however, invalidated the work accomplished at the afternoon meeting. The new Constitution required that the ayes and noes be called upon the final passage of Acts, and it was desirable that the Councils should follow the procedure prescribed for the Legislature.

The bill appropriating \$50,000 to defray the general expenses of appressing the rebellion, was again taken up and passed in accordance with the Constitution.

The same procedure was gone through with in regard to the Act introduced by President Dole, relating to military appointments made during times of rebellion.

The two bills were passed without a cogether with those of last Monday's ession, were read and approved.

will be found an official notice constituting a military commission, before whom all those connected with the late rebellion will be brought for trial. The commission, or court-martial, will be opened this morning at 10

o'clock in the Council Chamber of the Executive Building, and will be presided over by Judge W. A. Whiting, with the rank of Colonel, First Regiment, N. G. H.

The board will consist of seven members, made up as follows: Lieutenant-Colonel J. H. Fisher. Captain C. W. Ziegler, Company F.

Captain J. M. Camara, Jr., Com-Captain J. W. Pratt, Adjutant.

Captain W. C. Wilder, Jr., Com-First Lieutenant J. W. Jones, Company D.

The above are all officers of First Regiment N. G. H. Captain William A. Kinney, aidede-camp on General Staff, who will act in the capacity of Judge Advocate. The session will continue from day to day, or until the charges and speci-

fications to be presented by the Judge Advocate have been disposed of. It has been decided to employ no star chamber methods and the press will be allowed to publish full pro-ceedings and findings of the Court, but no comments or expressions of opinion upon the merits or demerits of the trials are expected to be made. The diplomatic corps will undoubtedly attend and protect the rights of their respective subjects to a fair, just and equitable trial, but the public generally will have to be contented with following the cases through the medium of the press.

It is presumed the prisoners will be allowed counsel, but according to rules

and usages governing such tribunals that point will be decided by the commission. It is expected the session will be a lengthy one, as there will be a number of prisoners to examine, and it is a matter of considerable speculation as to who will be the first personage

The mission was a dangerous one on account of the large number of natives that usually pass their time at the exqueen's place. Ample precautions were taken by the authorities to protect the policemen who were sent to make the search. Riflemen were stationed about the grounds surrounding the place, and a company of regulars were held in readiness to leave the Executive Building at a moment's notice. Nothing happened, however, owing no doubt, to Parker's diplomatic treatment of the forty odd natives who were on the grounds when the wagon

with the police aboard arrived. He gave them to understand that he would restore Liliuokalani to them today. This little fable seemed to please them. At any rate they did

Parker and his men then went unplaced in the wagon. Then the pistols, swords and cartridges were taken from their hiding place. The last and biggest surprise was the discovery of the bombs. They were placed in a bag

and taken in charge by Parker. After the cellar was cleared out the the men jumped in the wagon and bodying the other requirements neces- one shotgun and four boxes of rode triumphantly to the police station. The load was transferred to the
